TARANA BANSAL

PROFILE SUMMARY

Detail oriented finance professional with **keen interest** in **global markets and commodities**, using **analytical problem solving** to drive **retention**, **client engagement** and turn **financial analysis** into **tailored solutions**.

INTERNSHIP

***Revenue Assurance Intern*, Paytm** **Apr 2026 – Jun 2026**

- **Identified** 23 separately maintained receivables trackers as a **control and data-quality gap**; rebuilt them as one **VBA-automated** reporting layer, cutting turnaround **99.6%** (4 hours -> <1 min)
- **Handled** daily **payment application** in **SAP**, resolving short payments, **TDS** and unapplied receipts against invoice records and **reconciling** the debtor book to **GL** at Matched status
- **Designed** an ETA vs Collections **reconciliation control**, converting month-end manual tracking into **daily exception monitoring** of committed against realised collections; saved 30 hrs/month
- **Redesigned** the recovery notice workflow end to end, **automating** data compilation, annexures and **approval routing**; cut turnaround **83%** (3 hrs -> 30 min) and strengthened the **approval trail**
- **Built** a **role-based** ticketing system with defined ownership, **ETA breach alerts** and escalation, replacing memory-dependent follow-up across the collections team

ACADEMIC PROJECTS

- **Portfolio Management (Client Advisory): Profiled** five investors' risk aversion and goals, then ran mean-variance **optimisation** across 14 assets and 5,000 simulations, lifting Sharpe from 0.452 to 0.728; **built allocations by risk band**
- **Financial Statement Analysis & Valuation (L&T)**: **Built** a **3-statement model** and **FCFF DCF** (**WACC** 12.77%, 5% **terminal growth**) **valuing** L&T and cross-checked with peer multiples, Altman Z-score and **football field analysis**
- **Continuous Controls Monitoring (Power BI): Designed six exception tests** (duplicates, threshold avoidance, Benford's Law, three-way match, SoD, after-hours postings) across 12,095 transactions (₹123.8 Cr); published **RAG-rated control metrics** with **root-cause and get-to-green commentary** for 1,152 exceptions (₹25.5 Cr)

QUALIFICATIONS

Degree	Institute/ University, City	%/CGPA	Year
PGDM	Great Lakes, Gurgaon	2.89/4	2027
